

## Introducing the New e-Handbook for Raimes, *Keys for Writers*

The easiest handbook for students to use is now available online for their convenience. Including the entire contents of the book, the e-Handbook also offers special features.  
<http://college.hmco.com/portal/english/ebook/keys5e.html>

### Student Highlighting & Notes

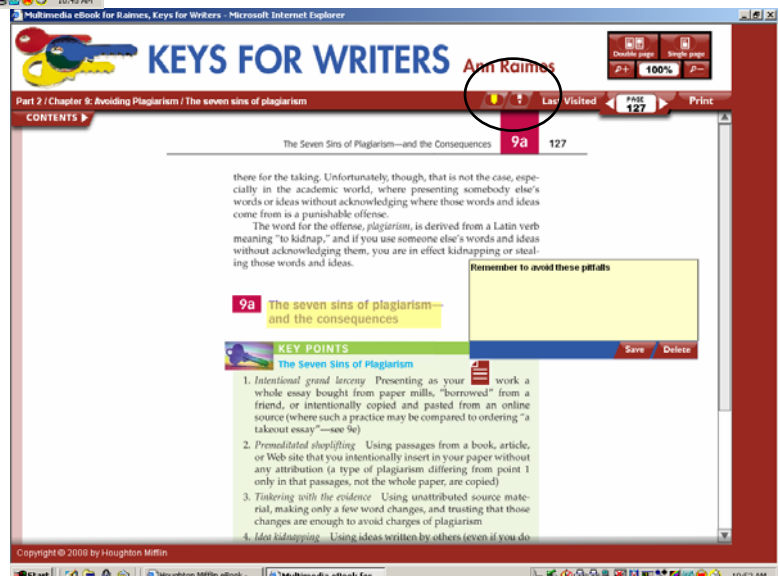

Using the highlighter option, students can add yellow highlights to key points.

Students can also add their own notes as they would in the margins of the book.

### Fully Searchable

Students are just a click away from all topics in the *Keys for Writers* e-Handbook.

Students can also locate material by going through the Contents dropdown menu or simply turning pages as they do in the book.

### Pricing/Packaging
