The Challenge of Democracy
Ninth Edition
2008 Update Edition
Kenneth Janda Northwestern University
Jeffrey M. Berry Tufts University
Jerry Goldman Northwestern University

©2008 • 768 pages • Hardcover
978-0-618-99094-8

THE 2008 UPDATE EDITION OF THE Challenge of Democracy brings students the very latest in research and events central to the field of American Government. A sixteen-page pictorial insert, featuring arresting images and articles from The Associated Press, brings these current events to life. Updated examples, visuals, and references throughout the book provide the most recent scholarship and include the “Scooter” Libby sentence, the Alberto Gonzales controversy, and the 2008 presidential race. This edition of the bestselling textbook continues the highly acclaimed, non-ideological framework that explores three themes: freedom, order, and equality; majoritarianism vs. pluralism; and globalization.

This edition continues to provide its readers with leading-edge learning and teaching technology. Offerings include downloadable chapter overviews narrated by the authors and course management with an interactive e-book available in Eduspace as well as Blackboard/WebCT.

- New! Houghton Mifflin brings you updated content from The Associated Press with a sixteen-page insert on current events and on-page icons that link students to videos and interactive maps. On the textbook website, HM NewsNow and HM Interactives offer live news feeds, multimedia learning tools, and more.
- New! AmericansGoverning.org provides videos, readings, interviews, and other online content that engages students in the political process. See page 11 for details.
- Numerous features diversify the learning experience: In Our Own Words audio chapter summaries aid in information absorption; Can You Explain Why? challenges students’ critical thinking skills; the boxed feature Politics in a Changing World addresses the interaction of globalization and American politics; and the updated Looking to the Future invites students to consider trends in American government.

- Continuing to offer leading-edge technology for teaching and learning, the program now offers text-specific content in Eduspace, Blackboard, and WebCT formats.

BRIEF CONTENTS

THIS SHORTER-FORMAT TEXT BRINGS students the outstanding new AP features and content found in the bestselling The Challenge of Democracy, Ninth Edition. The Brief Edition maintains the same framework and motifs as the full-length text, its pedagogy linked to two main themes: the conflicting values of freedom, order, and equality; and the majoritarianism versus pluralism debate. A focus on globalization and its implications helps students put American government in a broader context.

- New! AmericansGoverning.org provides videos, readings, interviews, and other online content that engages students in the political process. See page 11 for details.

BRIEF CONTENTS
1. Dilemmas of Democracy

4. Public Opinion, Political Socialization, and the Media
5. Participation and Voting
6. Political Parties, Campaigns, and Elections
7. Interest Groups
8. Congress
9. The Presidency
10. The Bureaucracy
11. The Courts
12. Order and Civil Liberties
13. Equality and Civil Rights
14. Policymaking and the Budget

Associated Press Partnership
Recognizing the need for up-to-date news and events in the classroom, Houghton Mifflin now offers—with select texts—content from The Associated Press in a variety of highly accessible formats.

- A sixteen-page, full-color pictorial insert features key events of the past year. Coverage is extensive and relevant, including the 2006 midterm elections; the ongoing impact of Hurricane Katrina; key decisions of the 2006 Supreme Court; the Democratic-controlled 110th Congress; Executive Branch developments, such as inquiries into the firings of U.S. Attorneys; and the 2008 Presidential race.

- HM NewsNow and live news feeds bring current news coverage and updated pedagogical tools to the classroom. From our text-specific websites, instructors and students can link to news stories and accompanying multimedia (such as videos)—all of which are organized by date and headline for quick access.

ACCLAIMED FOR THE SCHOLARSHIP OF its prominent authors and the clarity of its narrative, American Government sets the standard for public policy coverage while maintaining focus on three fundamental topics: the institutions of American government; the historical development of governmental procedures, actors, and policies; and who governs in the United States and to what end.

Student involvement in the material is bolstered by proven pedagogical features such as chapter outlines, suggested Web links for research, and How Things Work boxes that summarize important facts. The greatly enhanced media package with new online tools makes the learning experience engaging and accessible.

- **New!** Updates throughout the text reflect the latest scholarship and current events, including analysis of the 2006 congressional election and leadership of the 110th Congress, the Iraq War, immigration, and changes in campaign finance laws relevant to the 2008 presidential election.

BRIEF CONTENTS

I. The American System
   1. The Study of American Government
   2. The Constitution
   3. Federalism
   4. American Political Culture
   5. Civil Liberties
   6. Civil Rights

II. Opinions, Interests, and Organizations
   7. Public Opinion
   8. Political Participation
   9. Political Parties
   10. Elections and Campaigns
   11. Interest Groups

DISTINGUISHED BY ITS MYTH VS. reality framework, American Government encourages students to confront their preconceptions about American government and to think critically about the U.S. political system. Up-to-date coverage includes the 2006 mid-term elections, the Supreme Court, domestic and international policy, and economic and social welfare.

Extensively updated, this edition includes a full-color, current news insert featuring content from The Associated Press (see page 3 for details).

■ New! American Government Eduspace/Blackboard/WebCT online course content includes graded homework, primary source documents, writing assignments and tutorials, discussion assignments, a threaded message board, and video clips of election ads.

■ New! Asked & Answered boxes use an accessible question-and-answer format to examine political issues of interest to students. Topics include “Is the United States an empire?” and “How do I know what my political ideology is?”

■ New! Chapter-opening vignettes focus on real-world topics such as Hurricane Katrina and the nation’s sense of vulnerability; the Iraqi Constitution; Dan Rather, George W. Bush, and media bias; and the impact of illegal immigration on foreign and defense policy.

■ New! AmericansGoverning.org provides videos, readings, interviews, and other online content that engages students in the political process. See page 11 for details.

THE DEMOCRATIC DEBATE EXAMINES the struggle between elite and popular models of democracy, and uses the standard of popular democracy to examine the U.S. from antifederalism to contemporary social movements. Special attention is given to how individuals can make a difference in democracy.

■ Updated coverage includes discussion of Enron and corporate responsibility, the evolution of the Christian Right, Social Security reform, public opinion on the Iraq War, and recent Supreme Court decisions on affirmative action and same-sex marriage.

Classic Ideas and Current Issues in American Government

Meena Bose  United States Military Academy
John J. DiIulio, Jr.  University of Pennsylvania

©2007 • 544 pages • Paperback
978-0-618-45644-4

**THIS READER OFFERS SUCCINCT**

overviews of classic ideas and foundations of American government framed by contemporary issues and writings. Students are introduced to the classic debates, institutions, and individuals that shape American politics through key primary documents and shown how these issues remain at the core of policy making today.

The included readings highlight questions about contemporary topics such as homeland security and affirmative action—without losing touch with the timeless dilemmas of liberty, equality, and power.

Politics in Action: Cases in Modern American Government

Gary Wasserman  Johns Hopkins University

©2006 • 168 pages • Paperback
978-0-618-47416-5

**THIS UNIQUE, ENGAGING READER** features 13 case studies, each presenting a familiar event in modern political history. The event is dissected to create a snapshot of the relative institutions, policymakers, and groups that influenced its development. Factors under consideration include individual political personalities, public opinion on national policy, the role of the media, and the impact of lobbyists.

*Politics in Action* encourages students to take a critical approach to contemporary events and consider the impact of politics on everyday life.

- Case study introductions present the major topics in identifiable contexts.
- Key concepts in each case are clearly identified, and students are encouraged to revisit the themes while considering the text from a critical viewpoint.

Debating Democracy: A Reader in American Politics

Fifth Edition

Bruce Mirollo  State University of New York-Albany
Raymond Seidelman  Sarah Lawrence College
Todd Swanstrom  Saint Louis University

©2005 • 400 pages • Paperback
978-0-618-43766-5

**THIS TEXT OFFERS TWO READINGS PER** chapter organized in a debate-style format, representing opposing viewpoints. The straightforward, thought-provoking presentation facilitates class discussion.

Debates include American Political Culture and the War on Terrorism; Civil Liberties in a Time of War: Debating the Patriot Act; Democrats Versus Republicans: Is There a New Majority?; Tax Cuts and Deficits; and U.S. Foreign Policy: Debating Preemptive War.

AMERICANS GOVERNING IS A WEB-HOSTED COLLECTION OF MATERIALS designed to be provocative, to raise more questions than it answers, and ultimately to get students engaged in the content and ready for serious in-class discussion. Personal narratives from political players—with all of the authenticity and opinion you would expect—stand at the center and provide distinct perspectives on the political process. These stories are surrounded by influential primary sources, like interviews, short-form documentaries, and the U.S. Constitution (usefully annotated by topic). Learn more at AmericansGoverning.org.

Get Involved
Original videos, campaign commercials, writing excerpts, and additional resources engage students in the political process. An online “Notebook” records students’ answers to a series of questions and allows you to keep a record of assignments.

Use It Now
Correlated to the Table of Contents in the text, the site offers you:
- Two to five quality homework assignments per chapter.
- Robust online content for instructors who are not interested in traditional Course Management Systems.

HM NewsNow
Powered by The Associated Press
Houghton Mifflin turns thought-provoking and relevant news articles, videos, and photos from The Associated Press into PowerPoint presentations that can be downloaded from our password-protected instructor websites for use in class to take polls, generate discussion, or prompt essay writing. Students can view the media on their textbook website. (Content is updated weekly.)

HM Interactives
Available on select textbook websites, these multimedia learning tools walk students through the history of a present-day conflict or debate, and include visuals, animations, and questions for further discussion or research.

Blackboard/WebCT Course Content • Instructor and Student Websites • HM ClassPrep CD

THE THEME OF INDIVIDUAL PARTICIPATION
in this dynamic approach to Texas Politics empowers students and encourages citizenship. The text examines challenges of the “megastate” such as reforming elections and establishing home rule for counties. Chapters on criminal justice, education, social services, and the budget offer substantial coverage of policy issues.

New! Chapter 6 has been restructured to include sections on common interest group problems and solutions, while Chapter 9 now emphasizes the governor’s role and the general role of the bureaucracy.

New! New content includes coverage of the 79th legislature; the 2006 midterm elections; electronic voting machines; the Tulia, Texas, racial profiling case; an expanded discussion of immigration; and co-author Jeff Millstone’s expertise on criminal justice in Chapter 11.

BRIEF CONTENTS
Each chapter includes a Summary and Preview, Key Terms, Study Questions, and Critical Thinking Questions.

■ New! Chapter-opening vignettes include profiles on community activist Virginia Ramirez, Hickory Creek’s animal shelter, Congressman Ciro Rodriguez, and the state’s “Sales to Intoxicated Persons” sting operation.

Practicing Texas Politics
Thirteenth Edition

Lyle C. Brown Baylor University
Joyce A. Langenegger Blinn College, Bryan Campus
Sonia R. García St. Mary’s University
Ted A. Lewis Cy-Fair College
Robert E. Biles Sam Houston State University

©2008 • 509 pages • Paperback
978-0-618-64292-2

Blackboard/WebCT Course Content • Instructor Website with Online Instructor’s Resource Manual, PowerPoint and CRS slides, and Internet Research Projects • Student Website • HM Testing CD

THIS MARKET-LEADING TEXT COMBINES a survey of Texas government with coverage of public policy and relevant readings. Topics include the regular session of the 79th legislature, the special sessions on school finance called by the governor, results of the fall 2006 mid-term elections, and the impact of Hurricanes Katrina and Rita on the state of Texas.

Co-author Robert E. Biles contributes his expertise on local government and public policy and administration.

Learning Check features in each chapter pose brief factual questions that test students’ grasp of major points.

New chapter readings include the state’s role in immigration and intra-party conflict within the Republican majority.

STATE & LOCAL GOVERNMENT /
READINGS & CASES IN STATE & LOCAL POLITICS

State and Local Government
Seventh Edition
Ann O’M. Bowman University of South Carolina
Richard C. Kearney North Carolina State University

American Courts: Process and Policy, Sixth Edition
Lawrence Baum The Ohio State University
©2008 • 335 pages • Paperback
978-0-618-52284-2

LEADING SCHOLAR LAWRENCE BAUM provides thorough descriptions of the courts and their activities; explanations of what courts do, how people within them behave, and how they relate to the rest of the political system; and an evaluation of the courts’ work. The bestseller for political science or pre-law courses in the judicial process or judicial politics, American Courts is the most comprehensive, current, and accessible text in its market.

- New! A greater number of real-life case studies makes the material more compelling for students. Cases from nearly all 50 states reflect the diversity of laws and courts throughout the nation.
- New! Discussions of judicial confirmation processes and Supreme Court appointments have been updated for currency.

Introduction to Law and the Legal System
Ninth Edition
Frank A. Schubert Northeastern University, Emeritus
©2008 • 736 pages • Hardcover
978-0-618-77090-8

LEADING SCHOLAR FRANK A. SCHUBERT provides an overview of law and the American legal system, using a variety of cases to support the major functions of U.S. law. Suitable for a variety of departments and courses, this text is known for its broad coverage and introductory level, flexible organization, and use of cases to explain legal concepts.

- New! An enhanced website for students features cases from earlier editions of the text, as well as chapter outlines and useful links. New Internet Tips sections in each chapter refer students to the Web for further exploration.

BRIEF CONTENTS
1. An Overview of the Courts
2. Court Organization
3. Lawyers
4. The Selection of Judges
5. Judges
6. Trial Courts: Criminal Cases
7. Trial Courts: Civil Cases
8. Appellate Courts: The Process
9. Appellate Courts: Policy and Impact
Before the Law: An Introduction to the Legal Process
Eighth Edition
John J. Bonsignore
Ethan Katsh
Peter d’Errico
Ronald M. Pipkin
Stephen Arons
Janet Rifkin
All of the University of Massachusetts-Amherst

©2006 • 681 pages • Paperback
978-0-618-50345-2

Written by six founding members of the American Legal Studies Association, Before the Law promotes an interdisciplinary approach to introduce students to the purpose and practice of law in our society. Excerpts from recent and classic court cases—as well as material on trends in legal studies—come from a range of legal sources, including court opinions; sociological, psychological, and anthropological analyses; historical and philosophical approaches; and literary reflections.

Up-to-date readings cover topics such as online dispute resolution and protection of personal and property rights in cyberspace; same-sex marriage; and post-9/11 legislation for fighting terrorism.

Law, Politics, and Society
Suzanne Samuels Seton Hall University

©2006 • 417 pages • Paperback
978-0-618-37651-3

Instructor and Student Websites

This text studies the inextricable links between law, society, and politics through an in-depth examination of the law-making institutions in the United States, focusing on the function, structure, and participants in the process. The institutions-oriented approach focuses on contemporary coverage of the interrelationship between law and society and includes discussion of controversial topics. Law, Politics, and Society also looks at the theoretical and philosophical foundations of American law and provides comparative and international perspectives.

Diversity is embedded into each chapter within the readings—drawn from a broad range of interdisciplinary sources such as sociology, history, and medicine—as well as in activities, which encourage discussion about law and race, national origin, sex, and class. In addition, excellent coverage of how the law has changed since September 11, 2001, helps students understand these complex relationships in a tangible way.

Inside the Judicial Process: A Contemporary Reader in Law, Politics, and the Courts
Jennifer Segal Diascro American University
Gregg Ivers American University

©2006 • 507 pages • Paperback
978-0-618-39182-0

This unique collection of articles, case law excerpts, speeches, and primary source materials exposes students to the role of the judiciary and demonstrates how it works within American democracy. Major topics of judicial politics are covered across 11 chapters through selections that pique the imagination and interest of students.

Traditional readings provide a foundation for each chapter, and more contemporary selections reflect how participants and non-academic observers think about critical issues in judicial politics. Additional writings show how political scientists think about and study the field.

Public Opinion in the 21st Century: Let the People Speak?
Russell Brooker Alverno College
Todd Schaefer Central Washington University
©2006 • 420 pages • Paperback
978-0-618-37620-9

Instructor and Student Websites

A COMPREHENSIVE AND CONCISE introduction to the study of public opinion, this text offers a unifying theme that explains public opinion as a communication between the constituency and the government. Public Opinion in the 21st Century also evaluates the quality of public beliefs and describes how Americans relate their opinions to political leaders, answering important questions such as Whose voices are heard? and To what effect?

In keeping with the framework of the New Directions series, this text also includes a strong active-learning focus. Each Part has at least one Interactive Learning Exercise such as simulations, data analysis activities, and group research assignments.

Women and Politics: The Pursuit of Equality
Second Edition
Lynne E. Ford College of Charleston
©2006 • 363 pages • Paperback
978-0-618-37134-1

Instructor and Student Websites

WOMEN AND POLITICS IS ORGANIZED around a central theme: the gender paradox. This theme brings two perspectives to the forefront: the legal equality doctrine, emphasizing gender neutrality; and the fairness doctrine, recognizing the differences between men and women.

In-depth analysis and clear presentation of theory and history help students to think critically about gender and about the challenges faced by women in the past and present.

Mass Media and Politics: A Social Science Perspective
Jan E. Leighley Texas A&M University
©2004 • 306 pages • Paperback
978-0-395-92546-1

Instructor and Student Websites

THE DISCUSSION OF EACH TOPIC IN this text is modeled on the social scientific process that asks whether theories explain personal observations in politics and the media, and whether there is evidence to support the theories. Students can then put theory into practice with end-of-chapter Active Learning exercises that provide real-world examples of important concepts and ask students to collect and analyze data from various print and electronic media sources.

In response to important research in the field, the text includes an entire chapter on agenda setting—the media’s ability to insert issues into public consciousness or increase perceived importance—which illuminates the related concepts of priming and framing.
Pressure and Power: Organized Interests in American Politics

Anthony J. Nownes  University of Tennessee–Knoxville

©2001 • 258 pages • Paperback
978-0-395-95150-7

Instructor and Student Websites

THIS TEXT PROVIDES STUDENTS WITH a comprehensive, accessible look at interest group politics in the United States, from how interest groups are born to how they survive, operate, and influence public policy. Pressure and Power examines the American public’s conflicting attitudes towards organized interest groups while giving students the tools they need to formulate their own conclusions.

Public Policymaking
Sixth Edition

James E. Anderson  Texas A&M University

©2006 • 331 pages • Paperback
978-0-618-50686-6

Instructor and Student Websites

THIS BESTSELLING TEXT EXPLAINS the fundamentals of public policy by focusing on the process behind the crafting of legislation. By examining the individual steps—from identifying a problem to agenda setting to evaluation, revision, or termination of a policy—students learn how different factors influence the creation of policy. This process-oriented approach helps students learn public policy by viewing it as a sequence of functional events.

Restructured for increased accessibility, the Sixth Edition features at least one case study per chapter to illustrate how general ideas are applied to specific policy issues.

Public Policy Analysis: A Political Economy Approach

Kenneth N. Bickers  Indiana University
John T. Williams  Indiana University

©2001 • 257 pages • Paperback
978-0-395-85263-7

THIS TEXT GIVES STUDENTS A framework for analyzing public policy choices. The unique “political economy” approach focuses on the institutions and market processes that contribute to solving public problems.
PUBLIC ADMINISTRATION: CONCEPTS and Cases offers a unique and highly regarded framework in which conceptual readings are paired with contemporary case studies that reflect real-world examples of administrative work, as well as new thinking and developments in the field.

The case studies and examples cover topics such as the Columbia space shuttle disaster, the shootings at Columbine High School, the AIDS epidemic, and the Iraq War.

- Pertinent topics include ecology and decision-making, intergovernmental relations, information networks, and ethics.
- Chapters contain review questions, key terms, and suggestions for further reading—all of which support students and guide them toward greater understanding of the material.
Doing Empirical Political Research
James M. Carlson  Providence College
Mark S. Hyde  Providence College
©2003 • 436 pages • Paperback
978-0-618-11672-0

APPROPRIATE FOR POLITICAL SCIENCE majors in a research methods course, this text emphasizes active learning through the use of real data and a hands-on approach to SPSS, the most commonly used statistics software.

The Human Polity: A Comparative Introduction to Political Science
Brief Version
Second Edition
Kay Lawson  San Francisco State University
©2006 • 388 pages • Paperback
978-0-618-42524-2

THIS ABRIDGED EDITION OFFERS THE same personal, engaging introduction to political science as the popular, full-length text in a shorter format—ideal for professors who incorporate outside readings into their courses. Topics include the nature of politics, political institutions, behavior, and ideologies within a comparative framework.
A shift from a state-centered emphasis on interdependence to a broader look at globalization runs throughout the text, with coverage of global organizations such as the World Bank, the IMF, and the WTO. Current topics include terrorism worldwide; the roots of terrorism and how nations guard against it; and post-9/11 issues in the US such as civil rights and public health.

The Human Polity: A Comparative Introduction to Political Science
Fifth Edition
Kay Lawson  San Francisco State University
©2003 • 605 pages • Paperback
978-0-618-04364-4

THIS MAINSTREAM TEXT FOR introductory political science courses familiarizes students with the discipline by taking a comparative approach to topics such as the nature of politics, political institutions, behavior, and ideologies. Lawson takes a broad look at globalization and the role of non-governmental actors, such as multinational corporations and transnational organizations like the U.N. Additional coverage includes sections on terrorist organizations and how to fight terrorism in an international context; the global economy, including managing the economy within a nation; and the international political economy.

Governments and Politics in Russia and the Post-Soviet Region

Vicki L. Hesli  University of Iowa

©2007 • 482 pages • Paperback
978-0-618-34736-0

This text investigates and evaluates the developing political processes in Russia, Ukraine, Georgia, Lithuania, and Uzbekistan. Students will come to understand the newly formed political institutions in this region through comparison with other established democracies in Europe and North America, historical overviews of the Tsarist and Soviet periods, as well as summaries of socialist and communist philosophies. Comparative case studies explain the divergent paths taken since the breakup of the Soviet Union and cover topics such as constitutional structures and the main institutions of government; the nature of society and political culture; and political participation and political parties.

This approach helps students understand how decisions are actually made and how the allocation of resources occurs—through the intersections of politics, culture, the economy, and international influences.

Pedagogy in the text includes a glossary of key terms, critical-thinking questions, and suggested readings and web links.

Photos, maps, tables, and feature boxes provide additional information and bring the regions to life.

BRIEF CONTENTS

European Politics in Transition

Fifth Edition

Mark Kesselman  Columbia University
Joel Kreiger  Wellesley College
Christopher S. Allen  University of Georgia
Stephen Hellman  York University
David Ost  Hobart and William Smith Colleges
George Ross  Brandeis University

©2006 • 610 pages • Paperback
978-0-618-43295-0

European politics in transition presents a stimulating and comprehensive introduction to the political systems of post-World War II Great Britain, France, Italy, Germany, Eastern Europe, and the European Union.

Four key themes—economic management, relationships between countries, the challenges of democracy, and the political impact of social diversity—illustrate the concept of politics in transition within each country and in the context of Europe as a whole. One section is devoted to examining how each country reacted to the events of 9/11 and the war on terror, both internally and in regard to relations with the United States.

Introduction to Comparative Politics
Brief Edition

Mark Kesselman Columbia University
Joel Krieger Wellesley College
William A. Joseph Wellesley College

©2009 • 544 pages • Paperback
978-0-618-86683-0

This brief edition of the bestselling, full-length Introduction to Comparative Politics uses the same key themes to frame the presentation of each country’s politics, placing a strong emphasis on political economy. This edition’s easy to read 8x10 format and two-color design features new pedagogy, such as a marginal glossary, while maintaining the essential material of the full text.

- The Brief Edition provides thorough coverage of current events from around the world, including the May 2007 general election in France. Complete updates on the impact of 9/11 discuss civil liberties, security, political conflict, political identities, and more.
- Maps, tables, charts, photographs and political cartoons enhance the text throughout, while a convenient Marginal Glossary defines key concepts in comparative politics. To facilitate reading comprehension, key terms are set in boldface when first introduced.
- Pedagogical features like consistent chapter structure, data sheets at the beginning of each chapter, an appendix explaining the Human Development Index, and separate map sections for each country study make this text highly accessible.

Introduction to Comparative Politics
Political Challenges and Changing Agendas
Fourth Edition

Mark Kesselman Columbia University
Joel Krieger Wellesley College
William A. Joseph Wellesley College

©2007 • 682 pages • Paperback
978-0-618-60447-0

Instructor and Student Websites • HM ClassPrep CD with HM Testing

Written by a group of distinguished comparativists, this innovative and accessible introductory text surveys twelve key countries organized by level of political development: established democracies, transitional democracies, and non-democracies. The studies illuminate four comparative themes in a global context: the world of states, examining the interaction of states within the international order; governing the economy, covering the role of the state in economic management; the democratic idea, discussing the pressure for more democracy and the challenges of democratization; and the politics of collective identities, studying the political impact of diverse attachments and sources of group identity.

Clear prose makes this book accessible to students with little or no background in political science, and each chapter has a data sheet of demographic, socioeconomic, and political information to aid in country comparisons.

Introduction to Comparative Politics
Custom Edition

Instructors may create a custom version of Introduction to Comparative Politics from an online database that includes the original twelve countries from the printed edition, as well as additional studies not available in the printed edition.

The printed edition includes Britain, France, Germany, Japan, India, United States, Brazil, Mexico, Russia, China, Nigeria, and Iran. Now available only online: East-Central Europe, focusing on Poland, Hungary, and the Czech Republic; South Africa; Indonesia; Turkey; Cuba; and Korea.

- Topical coverage ranges from poverty and inequality to imperialism, terrorism, and migration.
- Selected authors include Karl Marx and Frederick Engels, Thomas L. Friedman, G. John Ikenberry, and Jagdish Bhagwati.

Learn more: college.hmco.com/info/comparativepolitics
WITH AN ACCESSIBLE, DESCRIPTIVE approach and an easy-to-use, three-part structure within each chapter, this comparative text offers students an affordable alternative. Rather than focus on one perspective at the exclusion of others, the author allows instructors and students to choose the comparative approach most beneficial to their understanding of the whole or parts of political systems. The text offers nine country-study chapters and two region-study chapters, which reflect the most recent election results, the Iraq War, the expansion of the EU, and notable terrorist attacks.

The Politics of Globalization: A Reader
Mark Kesselman Columbia University

©2007 • 514 pages • Paperback
978-0-618-39599-6

THE BROAD RANGE OF SELECTIONS IN this reader gives students a foundation for understanding globalization. Each of the four sections—an introduction to the topic, political economy, civil society, and governance—examines the national and international implications of globalization. The readings present views both for and against globalization and include scholarly discussions and a diverse range of selections on emerging topics. The writing style and format of the readings make them accessible to students at all levels of comprehension.

- Topical coverage ranges from poverty and inequality to imperialism, terrorism, and migration.
- Selected authors include Karl Marx and Frederick Engels, Thomas L. Friedman, G. John Ikenberry, and Jagdish Bhagwati.

Each section in this text corresponds to four comparative themes in a global context: the world of states, examining the interaction of states within the international order; governing the economy, covering the role of the state in economic management; the democratic idea, discussing the pressure for more democracy and the challenges of democratization; and the politics of collective identities, studying the political impact of diverse attachments and sources of group identity.

The selected readings are drawn from a variety of sources to provide a wide range of popular and scholarly views relevant to the major topics presented in introductory courses.
Politics in Latin America: The Quests for Development, Liberty, and Governance
Second Edition
Charles H. Blake  James Madison University

APPRAISING LATIN AMERICAN politics and government from a political science perspective, Politics in Latin America focuses on three unifying themes central to Latin America today—the challenges of development, liberty, and governance. The first four chapters provide a historical overview and describe the importance of each of these challenges; each of the seven country studies discusses the challenges as they pertain to that particular country. Through the process of examining these three challenges, the text considers their implications for the future of democracy in the region.

New! Updated coverage of the contemporary quests for development, liberty, and governance includes the dynamics of political backlash against market-oriented economic policies, the expansion of human rights investigations and trials in several countries, and the debate over “illiberal democracy” in Latin America and around the world.

New! Topical coverage includes economic and human rights policies in Argentina, an analysis of the October 2006 elections in Brazil, Michelle Bachelet’s presidency following her January 2006 electoral victory, and changes in Cuban political dynamics following Fidel Castro’s 2006 illness.

New! Analysis of the recent presidential campaign in Mexico includes an examination of the protests led by Andrés Manuel López Obrador following the July 2006 elections.

New! Expanded coverage of Hugo Chávez’s presidency in Venezuela includes analyses of the 2004 recall election and the 2005 legislative elections as well as an examination of the December 2006 presidential elections.

New! The cross-national analysis of all Latin American countries in Chapter 12—which examines the relationship between economic development, respect for liberty, governance patterns, and public support for democracy—has been updated through 2006. Latin American Countries covered include Argentina, Brazil, Mexico, Chile, Cuba, Guatemala, and Venezuela.

BRIEF CONTENTS
1. An Introduction to Latin American Politics
2. A Bird’s-Eye View of Latin American History
3. The Context of Contemporary Latin American Politics (1980 to the Present)
4. The Quest for Development, Liberty, and Governance
5. Argentina
6. Brazil
7. Chile
8. Cuba
9. Guatemala
10. Mexico
11. Venezuela
12. Challenges and Choices in the Twenty-First Century

Readings in Latin American Politics: Challenges to Democratization
Peter R. Kingston  University of Connecticut

©2006 • 562 pages • Paperback
978-0-618-37136-5

THIS UNIQUE READER COMBINES TWO major approaches to teaching Latin American politics. Part I examines four central themes—democratization, economic development, changing political actors, and social policy—in a debate format with complementary readings. Part II examines select countries and regions in depth, using one non-scholarly article per chapter to apply the themes from Part I.

Articles on daily life in Latin American countries or regions provide immediacy and contextual details. Each country chapter also includes one article from a more popular source native to that country, further familiarizing students with day-to-day life and contemporary culture.

The engaging readings highlight different arguments about the central question posed in each chapter.
IN CLEAR, ACCESSIBLE PROSE, Global Politics discusses the historical background and major theories of international relations. The text is organized into five parts: theory and history, states and foreign policy, security relations, economic relations, and global challenges. It focuses on today’s most urgent issues, such as international conflict, economic alliances, and terrorism and global security. A theoretical chapter on global politics covers six major perspectives on international relations and clearly explains the premise and significance of each theory.

- New! The book has been reorganized so that students are introduced to non-state actors in Chapter 4 rather than in Chapter 13.
- New! Ethnic Conflict and International Terrorism are now covered together in Chapter 7.
- New! The authors incorporate security and economic developments: the Iraq War, ethnic and religious conflicts, nuclear proliferation, international terrorism (including London, Madrid, and Mumbai bombings), and U.S. unilateralism and its backlash.

BRIEF CONTENTS

I. Theoretical Perspectives and Historical Background
   1. Theories of Global Politics
   2. The Historical Setting

II. Actors in Global Politics: Power and Policy
   3. The Modern Era

III. Interactions of Actors: Security Relations
   4. The Power of States and the Rise of Transnational Actors
   5. Inside States: The Making of Foreign Policy
   6. International Conflict: Explaining Interstate War
   7. Ethnic Conflict and International Terrorism
   8. State Efforts to Avoid Conflict: Alliances, Arms, and Bargaining

IV. Interactions of Actors: Economic Relations
   10. Interdependence Among Rich States: International Political Economy in the North
   11. The Developing States in the International Political Economy
   12. Regional Economic Integration in the Global Economy

V. Global Challenges
   13. The Global Environment and Its Inhabitants
   14. Globalization: Contemporary Dynamics and the Future of World Politics

THIS UNIQUE READER ADDRESSES ALL the players in the current global political scene, from international companies and intergovernmental organizations to traditional states and terrorist organizations. Global Politics blends conceptual writings on international relations with current events coverage from journalistic sources. Each chapter approaches the key topics first from a scholarly/theoretical view, then follows with readings presenting a news/current events context. The readings provide a stimulus for informed debate and discussion, encouraging students to view daily events as part of a larger process of change.

GLOBAL POLITICS

World Politics in the 21st Century: Brief Edition

W. Raymond Duncan Iowa State University of New York, Brockport
Barbara Jancar-Webster State University of New York, Albany
Bob Switky Sonoma State University

©2009 • 608 pages • Paperback
978-0-547-05634-0

THIS EXCITING INTRODUCTION TO international relations includes topics often neglected in other texts and features in-depth case studies in every chapter that make abstract concepts concrete. Praised for its accessibility, pedagogy, and success in developing students’ interest in the material, World Politics is truly a text for students of world politics in the 21st century. The Brief Edition offers concise content in a new, attractive 8x10 format.

Global Politics in a Changing World: A Reader

Third Edition

Richard W. Mansbach Iowa State University
Edward Rhodes Rutgers University

©2006 • 468 pages • Paperback
978-0-618-52280-4

learn more: college.hmco.com
INTERNATIONAL RELATIONS PRESENTS topical chapters covering enduring and important debates in the field and examines how political actors or political thinkers explain and defend their opinions. Each chapter has four parts: the first part provides a historical overview of the issue; the next two parts map out the contrasting points of view; and the concluding part evaluates each position, providing scholarly and political assessments. This format allows students to understand important issues in international relations as dynamic struggles over resources and power.

- **New!** Expanded coverage of IOs/NGOs includes the European Union’s relation to security amid anarchy (Chapter 3) and the role of NGOs like Amnesty International in human rights activism (Chapter 10).
- **New!** Expanded and updated coverage of the “Clash of Civilizations” in Chapter 12 is found both in the body of the chapter and in the Points of View readings at the end of the chapter.
- **New!** Points of View readings present primary sources such as foreign policy statements, news stories and debate transcripts, and expand on the chapter discussions. New topics include “Does Foreign Aid Promote Development?” and “Can a Nuclear Iran Be Deterred?”

**BRIEF CONTENTS**

**Introduction: The Study of International Relations**

I. **History and Perspectives**

1. Change and Continuity in International History
2. Contending Perspectives on International Politics

II. **Controversies**

3. Power Politics (Does International Anarchy Lead to War?)
4. War and Democracy (Are Democracies More Peaceful?)
5. War and “Human Nature” (Is War Part of Human Nature?)
6. Free Trade (Does Free Trade Benefit All?)
7. The IMF, Global Inequality, and Development (What are the Obstacles to Development?)
8. Globalization and Sovereignty (Is Globalization a Threat to National Sovereignty?)
9. International Law (Does International Law Matter?)
10. The United Nations and Humanitarian Intervention (Are Humanitarian Interventions Justified?)
11. Nuclear Proliferation (Is Nuclear Proliferation Dangerous?)
12. International Terrorism (How Should We Respond to International Terrorism?)
13. The Global Commons

**The German Polity**

Eighth Edition

David P. Conradt East Carolina University

©2005 • 348 pages • Paperback
978-0-618-91776-1

**THIS INTRODUCTION TO MODERN German politics emphasizes the past half-century of the country’s structural and attitudinal changes, as well as the policy problems it faces today. This edition examines Germany’s economic crisis: once a model of economic dynamism, Germany’s economic growth rate now ranks among Europe’s lowest. Conradt also discusses German-American relations since the start of the Iraq War.**

**American Foreign Policy: Theoretical Essays**

Fifth Edition

G. John Ikenberry Princeton University, Editor

©2005 • 608 pages • Paperback
978-0-618-91807-2

**EDITED BY ONE OF THE FOREMOST authorities in the field, this highly respected, thought-provoking collection of essays from scholarly journals provides an overview of the major contending explanations of American foreign policy and international relations. The essays encourage readers to evaluate the issues that shape our foreign policy today.**
